

Park Scrapbook

Written by Amanda - Last Updated Monday, 05 August 2013 14:42

Since Sun Desert RV Park first opened, we've made a lot of memories. Park members are currently working to create a scrapbook about our home, and if you have any materials you think would be useful please let the onsite manager know!

The scrapbook will be available to see once it is completed, and we will always be updating it as we make new memories at the park.
